

Michigan State Numismatic Society Convention Sponsorships

The Michigan State Numismatic Society (MSNS) proudly promotes and sponsors growth and education in the coin hobby through many channels at its bi-annual conventions. Individuals and numismatic organizations can support these educational goals by sponsoring activities during each MSNS Convention. A number of MSNS Member Clubs already support these goals by donating at each Convention.

The YN program, provided free of charge to participants, and the educational exhibit competition for youth, beginner and advanced collectors all help in fulfilling the MSNS mission of education. Exhibiting is recognized world-wide as one of the best training grounds for future hobby leaders and authorities. When in partnership with members and clubs, these wonderful learning opportunities rise to their greatest potential through individual, Dealer, Club and MSNS sponsorships.

The YN Program can be supported by donations toward the total program cost as well as toward the luncheon provided to the YN's.

The Exhibits Program can be supported by donating to provide the awards given to the exhibitors. Exhibitors of all ages prepare their displays in a number of classes of numismatic materials. Exhibiting is by classes are available for adults and for young numismatists. Young numismatist exhibitors are ages 8 to 17 years old.

All of the conventions exhibit classes are listed on the Exhibit Application form for that convention, which can be found on the MSNS website at www.michigancoinclub.org.

Exhibits are judged based on the established criteria founded on American Numismatic Association (ANA) judging guidelines.
