

## Michigan State Numismatic Society Convention Exhibit Award Sponsorships

The Michigan State Numismatic Society (MSNS) proudly promotes and sponsors growth and education in the coin hobby through many channels, especially competitive exhibiting. This exhibit competition is for youth, beginner and advanced collectors alike. Exhibiting is recognized world-wide as one of the best training grounds for future hobby leaders and authorities.

When in partnership with members and clubs, this wonderful learning opportunity rises to its greatest potential through individual, club and MSNS sponsorships.

At each convention MSNS sponsors an exhibit competition. Exhibitors of all ages prepare their displays in a number of classes of numismatic materials. Exhibit classes are available for adults and for young numismatists. Young numismatist exhibitors are ages 8 to 17 years old.

All of each conventions exhibit classes are listed on the Exhibit Application form for that convention, which can be found on the MSNS website at [www.michigancoinclub.org](http://www.michigancoinclub.org).

Exhibits are judged based on the established criteria founded on American Numismatic Association (ANA) judging guidelines.
